SUMMARY

Self-motivated, and quick learner who is eager to work in a challenging environment that allows me to utilize my knowledge and intelligence for the growth of the organization. I'm a passionate and dedicated developer with a strong background in crafting exceptional web and mobile solutions. With two years of hands-on experience in web development and one year in app development, I've had the privilege of working on a diverse range of projects that have enriched my skills and expertise. And I'm seeking a company that will help me contribute to its development while concurrently aiding my professional growth.

SKILLS

- React Native
- PHP
- HTML
- CSS
- JavaScript
- Strong problem-solving
- Leadership
- MySQL
- Laravel
- Critical Thinking

WORK EXPERIENCE

Appliteatures Co.

React Native Developer • Jul 2022 - 2023 - Present

- I developed a food delivery app using React Native, integrating navigations, attractive front end, and interactive menus.
- Designed and implemented a travel exploration app, utilizing React Native's navigation and UI components for a seamless user experience.
- Led the development of an Islamic app, incorporating prayer time notifications, and dua collections, demonstrating proficiency in React Native's functionalities.

Appliteatures Co.

Bill-Store (Ecommerce Store) • 2022

- Bill-Store is a web-based ecommerce platform with a user-friendly interface.
- Customers can easily add products to their cart and place orders, while administrators can efficiently manage the platform through the exclusive Admin panel.
- Seamlessly input product details, images, and descriptions, streamlining the path from stock to storefront.

ITS Tech World

Web Developer • Internship - 2021

- MIGH (Menu in Guest Hand) is a web-based restaurant management system.
- Scanning QR code available on each table. After Sign-up customers can place their order.
- System will also take payments in the form of cash and cards.

EDUCATION

Master in Computer Science

Superior University • 2020-2022

Bachelor in Computer Science

University of Central Punjab • 2018-2020
